# HOSTING AT THE GATHERING SPACE

It's with the greatest pleasure that we're able to welcome you to our farm and share a taste of Maryland with you. Our wines are crafted solely with Maryland grapes, minimal intervention and are vegan friendly. With every bottle sold, we donate \$1 to charitable organizations locally and abroad.

Our vision is to share the bounty of Maryland with those around your table as well as a commitment to sourcing ingredients from local family farms practicing sustainable or organic farming methods. You're supporting a diverse, responsibly-managed food economy and environment for generations to come.
